Dear Senator McCain:

I urge you to support the Right to Ride legislation (S.781). It is important to all recreational horse/mules users in Arizona. We take great pride and enjoyment in the access to our public lands and wish to continue the historical tradition of stock use. Thank you.

Dear Senator Kyl:

Please support S.781, the Right to Ride legislation. We in Arizona want our children and grandchildren to continue to enjoy our public lands by horseback. It is part of our cultural heritage and tradition to use pack and saddle stock on the trails which stock users have accessed for 100 years or more. Thank you.

Sincerely yours,
